in different
sizes

Silfer Filter

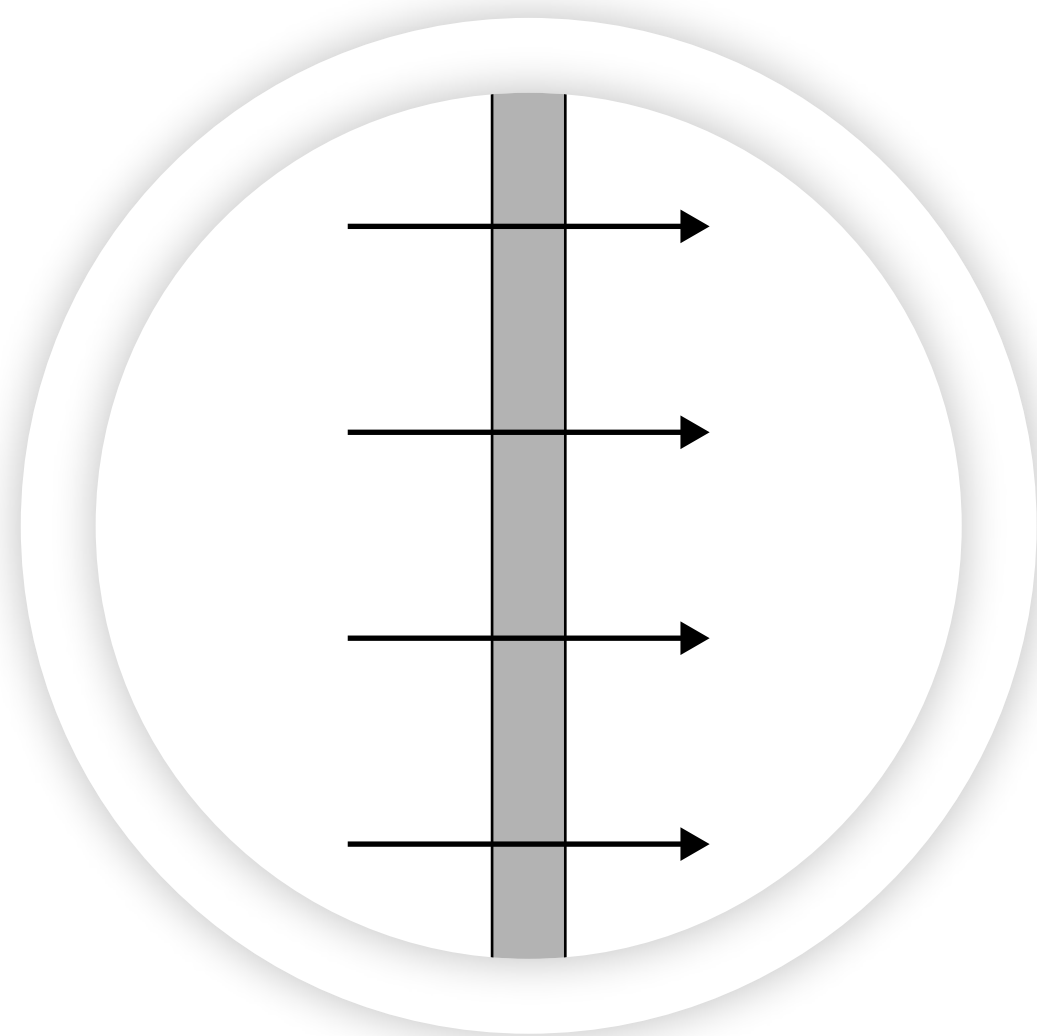

Weight: 40 g

Permeability: 4000 L / m² / s

Certification: GMP

Weight

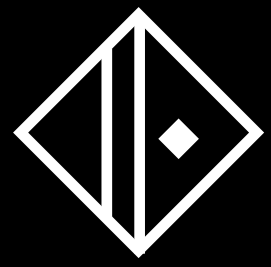

Weight: 40g

Permeability

Permeability: 4000 L/M²/S

Golfer Filter

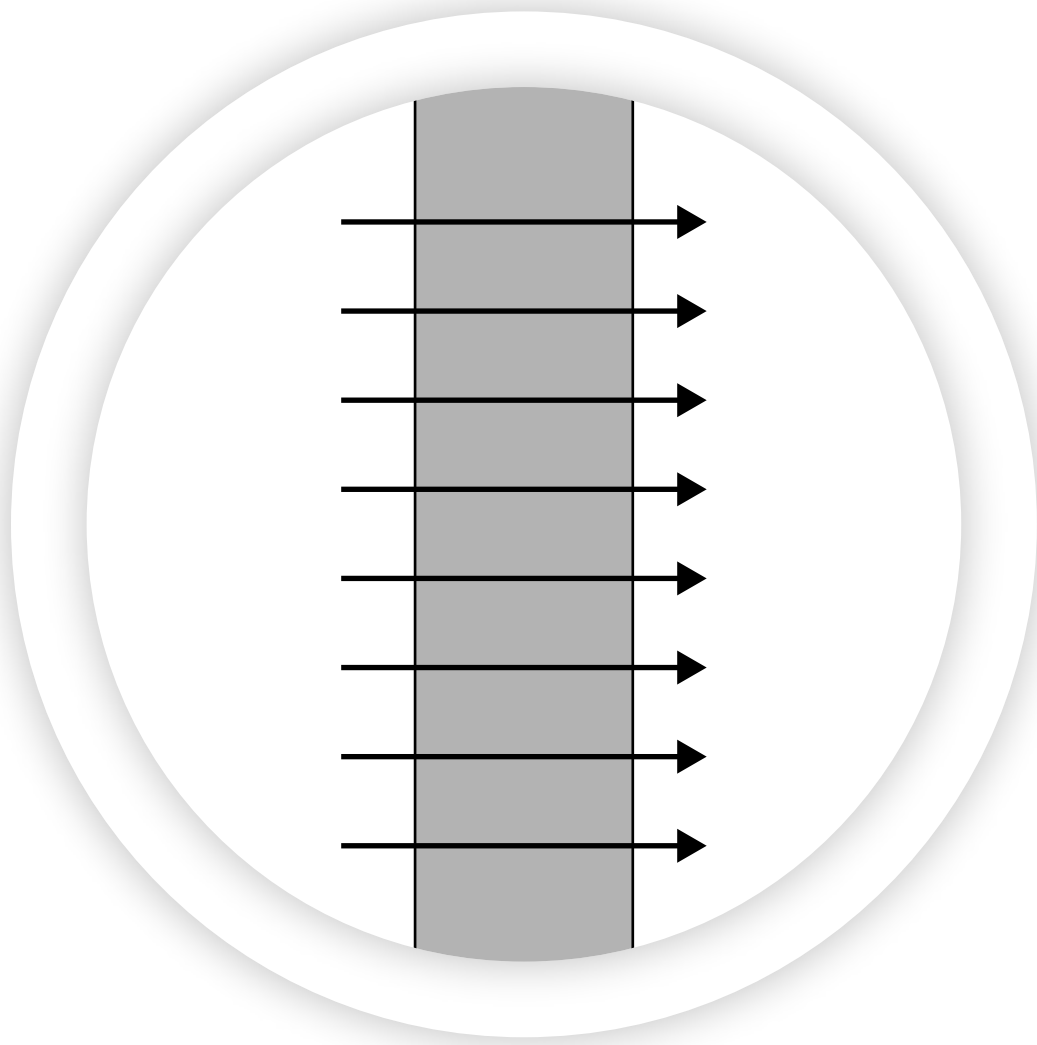

Weight: 60g

Permeability: 3500 L/M2/S

Certification: GMP

Weight

Weight: 60g

Permeability

Permeability: 3500 L/M2/S

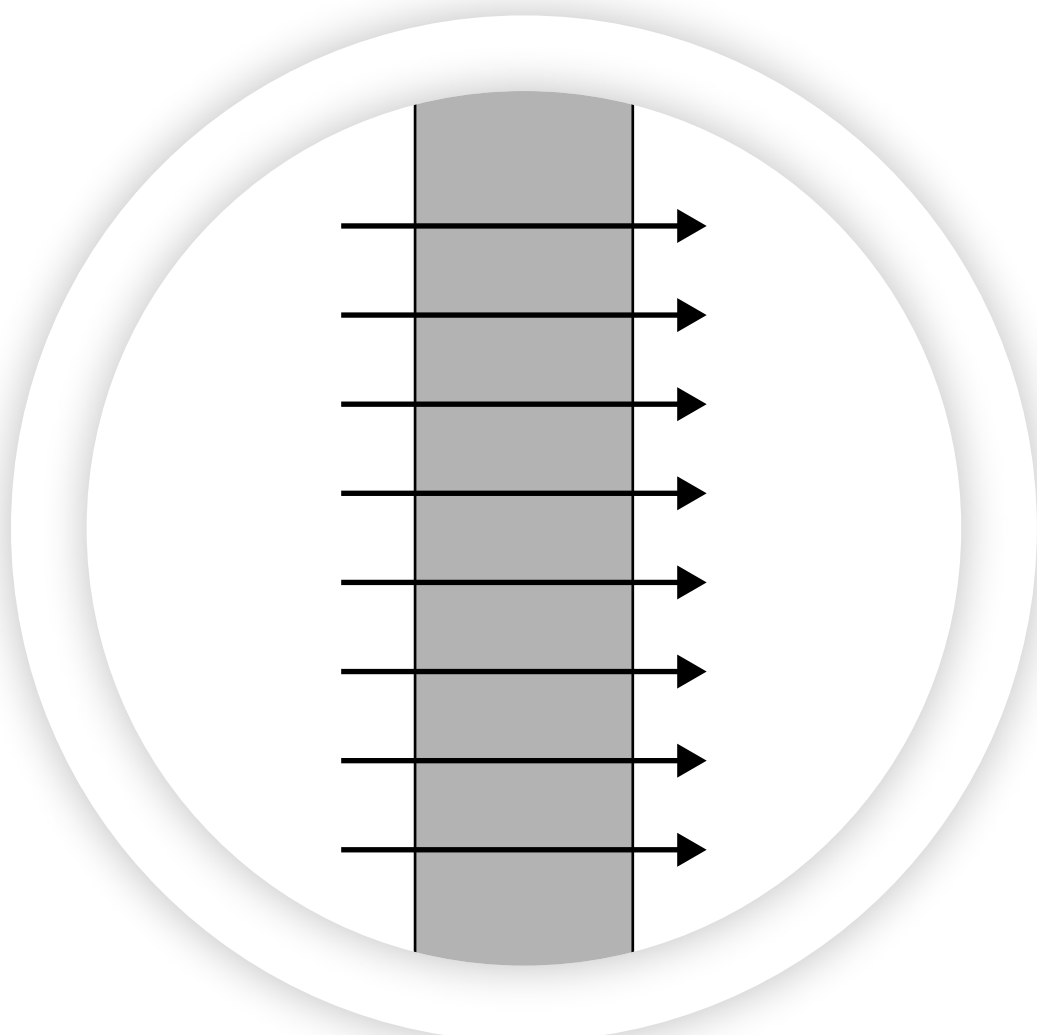

Profer Filter

Weight: 60g
Permeability: 3500 L/M2/S
Certification: FDA

Weight

Weight: 60g

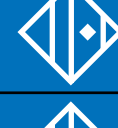

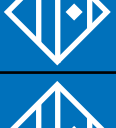

Permeability

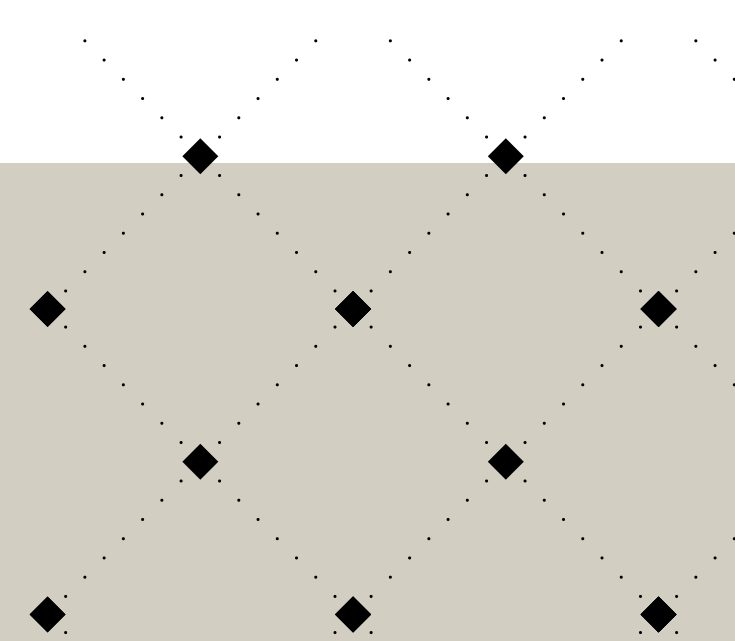

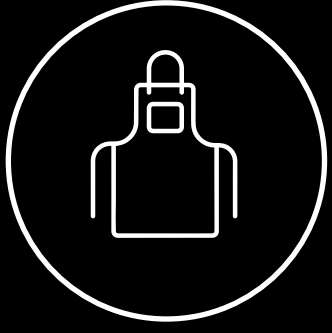

Permeability: 3500 L/M2/S

General recommendations for use

Number of cows

Standard size	width (inch)	length (inch)	<100 cows 	<100 y 200 cows 	> 200 cows 
	2 1/4	13 7/9			
	2 1/4	18 1/2			
	2 1/4	24 2/5			
	3	23 2/9			
	3 1/3	26			 
	3 3/4	24 2/5			 
	4 1/3	22			 
	4 1/2	31 8/9			 
	4 7/8	28			 
	4 7/8	33 1/2			 
	5 8/9	24			 
	5 8/9	33 1/2			
6	26				
5 8/9	41 1/3				
5 8/9	45 2/7				

APRON

WATERPROOF

Waterproof, lightweight, resistant apron, ideal for milking, equipment and milking parlor hygiene, calf feeding and other dairy farm activities.

Adjustable straps and plastic snap allow easy and comfortable fit

Polyvinyl chloride (PVC) material keeps clothing dry and protected from dirt and liquids.

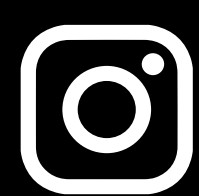

Easy to clean and disinfect, preventing microbial adherence to clothing.
